

Hello Everyone,

In early July our Commander resigned his post. Due to health conditions of my own, I have not had the time or energy to deal with getting In-Country Vietnam Veterans back on track. With that behind me I am ready to help bring In-Country Vietnam Veterans back to life. The Covid 19 pandemic has more or less put a halt to most of our activities. We have not had a live face to face get together since the Christmas party last December. We have had only partial success with online meetings (Zoom and Skype). At this point I am at a loss as to what we can do to resurrect our organization. I miss seeing and being with all of you. None of us are young anymore, and we don't have the stamina or strength we once had. But we need to decide whether we want to pull this association out of the mud and march on, or liquidate our assets and give all our funds to charity.

Respectfully,

Roy Martin

Vice Commander
In-Country Vietnam Veterans Assoc.
